### Creating IBM Cloud account :

First , In this activity we are creating the IBM Cloud account by using official link of IBM -- <https://cloud.ibm.com/registration>

Then we are provide required credentials (i.e email id & password) and Click NEXT.

The screenshot shows the 'Create an IBM Cloud account' page. The 'Account information' step is active, showing a form with 'Email' (srisabarinanthakumar@gmail.com) and 'Password' (masked with asterisks). A 'Next' button is visible. Below the form are links for 'Verify email', 'Personal information', and 'Account notice'. A 'Continue' button is at the bottom. On the right, promotional text mentions a 'USD 200 credit' and 'Build your journey to public cloud'.

After this , we received the OTP from the IBM. We entered into verification code block. Then Click NEXT.

The screenshot shows the 'Verify email' step. It displays a message: 'We sent a 7-digit verification code to srisabarinanthakumar@gmail.com. This code is valid for 30 minutes.' Below this is a 'Verification code' input field with a red error message 'Verification code is required.' and a 'Next' button. A 'Resend code' link is also present. The 'Account information' step is now inactive. The 'Continue' button is at the bottom. The right side of the page remains the same with promotional text.

And then Provide personal information and click on NEXT.

The screenshot shows the IBM Cloud registration interface. The 'Personal information' step is active, with fields for 'First name' (Prabu), 'Last name' (G), and 'Country or region' (India). A red box labeled '1' highlights the 'Next' button. Another red box labeled '2' highlights the 'Next' button with a downward arrow. The 'Continue' button is disabled. The background features a large blue abstract shape.

## Creating IBM Watson Service

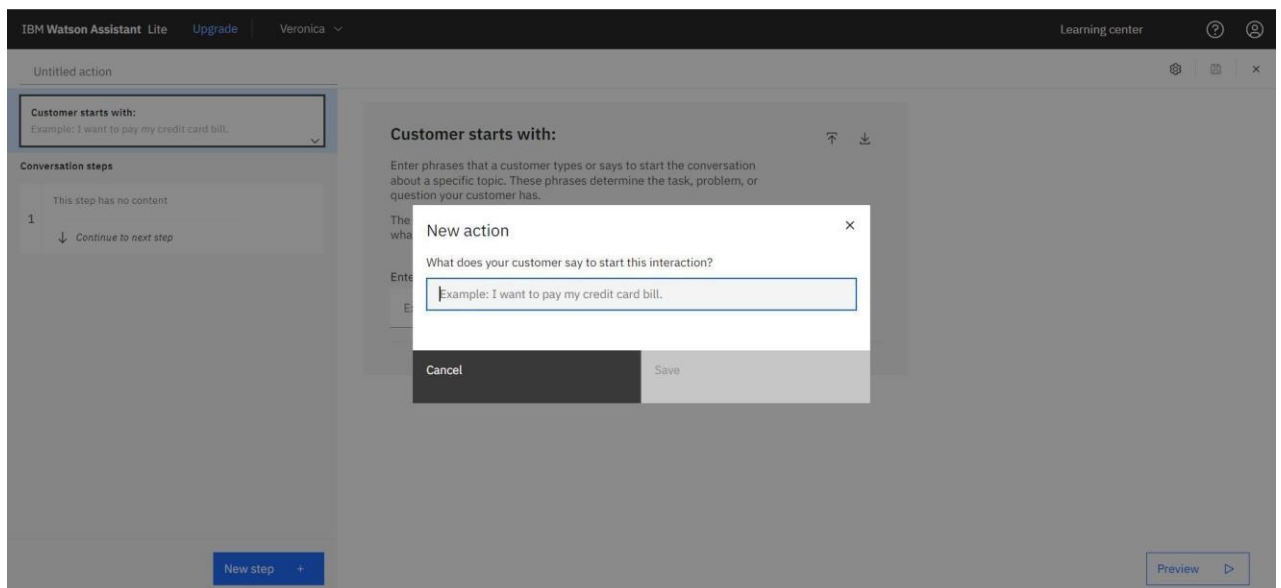

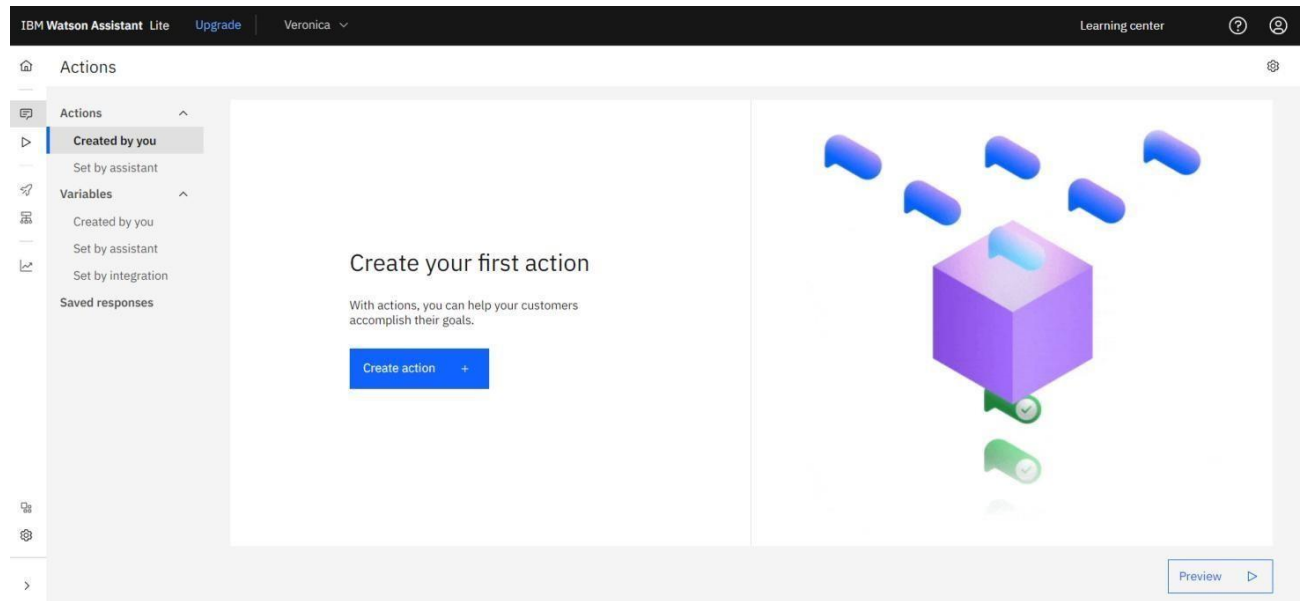

In this activity, we are creating the necessary IBM Watson Assistant Service.

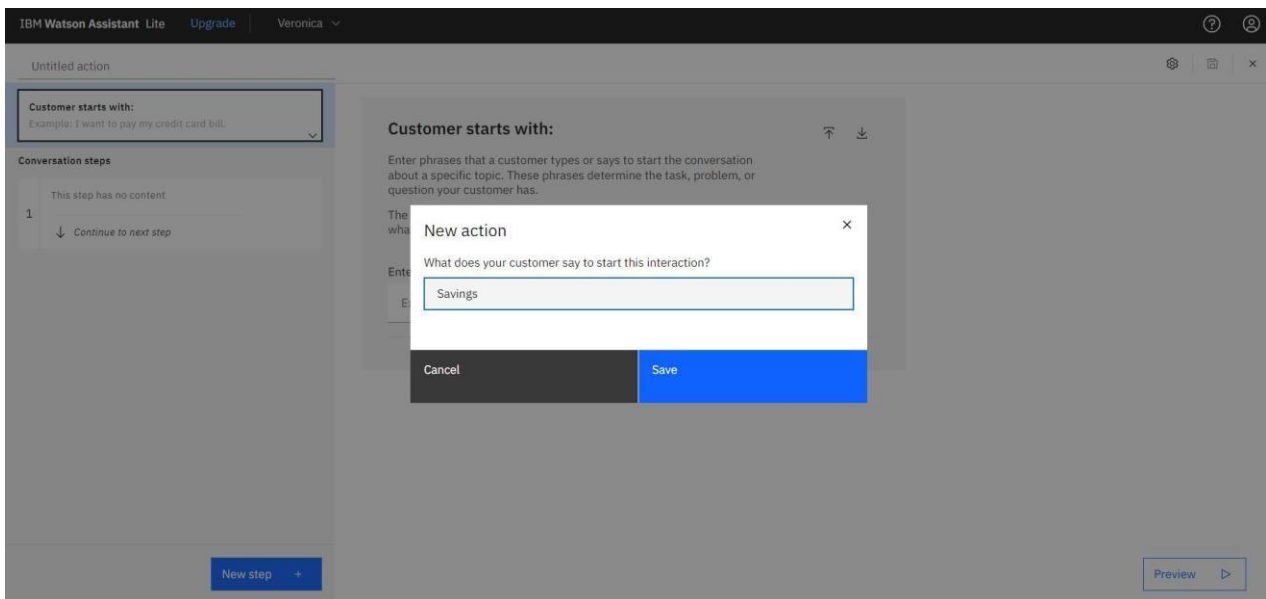

## Creating Action Skills

Skills are nothing but actions and steps. Steps are the subset of actions where conversations are built and the assistant is integrated with these skills.

# Creating Savings Action

In this step, we are adding steps in Savings Action to handle customer queries regarding Regular Savings Account, Kids Savings Account and Zero - Balance Account creation.
